ARTICULATE

An add-on to powerpoint running slide shows with sound, pictures, active web links and built in tests via the web. Distributed via blackboard. MP3 files can also be loaded separately

ADVANTAGES:

- repeat listening to lectures for greater understanding, or
- preparatory lectures to support main face to face lectures, or
- supports distance learners.

WIKI

COLLABORATIVE WEB SITES WRITTEN BY STUDENTS

ADVANTAGES:

- engagement
- reflection before and after tutorials
- contact for distance learners.
