## Generic Courses – January to June 2013

The timetable of generic courses being delivered between January and June 2013 as part of the Researcher Development Programme is below. These courses are available to all students who are enrolled for either a PhD or MPhil degree.

**Please note places on each course are strictly limited, so booking is essential.** Students who are unable to attend, having booked a place, must inform the Graduate School Office as early as possible so places can be re-allocated. For course bookings please contact the **Graduate School Office** by email to [rtp@dmu.ac.uk](mailto:rtp@dmu.ac.uk) or telephone (0116) 250 6242.

You will receive confirmation of your booking. A reminder will be sent to you approximately 7 days prior to the course taking place, which will include confirmation of the venue details.

Please contact us in advance of the course if you have any particular needs you would like the administrators or the presenters to be aware of. For example let us know if you require further information on building access or resources and equipment available to you.
