Robing

Dress code

When you arrive at Curve the first thing to do is collect your graduation robes from Rehearsal Rooms 4 and 5 on the second floor. To keep crowds to a minimum guests cannot accompany students when they collect their robe, but can meet them in either Rehearsal Room 1 for photographs or on the ground floor in the café or bar area.

Graduands are expected to dress smartly. We reserve the right to refuse entry to the ceremony for anyone who is not suitably dressed. We highly recommend wearing comfortable shoes as there will be a lot of walking around the building.

Please remember to bring your robe order confirmation with you. It's not possible to collect your robe from Curve before the day of your ceremony.

Recommended itinerary

- We suggest all students and guests arrive 90 minutes before the start of their ceremony.
- Access to Curve is from 8am. On arrival, collect your graduation robe from the second floor, Rehearsal Rooms 4 and 5. To minimise crowding, guests can either remain in the café or bar area, or meet their student in Rehearsal Room 1 for photographs.
- If you would like your photographs taken, photography is located in Rehearsal Room 1 on the second floor and you can still pay on the day if you haven't booked. If you don't have time before the ceremony you can return for photographs afterwards.
- Next, you need to register and collect your student ticket from Student Registration on the ground floor towards the rear of the building next to reception, and collect your graduation brochure.
- Be in your seat 30 minutes before the ceremony starts. You only need your ticket with you and you can bring your phone into the hall. Please leave any other belongings with your guest(s). You must sit in the seat printed on the ticket and not change seats, as your name might not be read out if we don't know where you are. Guests are seated in a different area.

Student registration	Ceremony time
8.30am – 9.15am	10am
11.45m – 1.15pm	2pm
3pm – 4.15pm	5pm

You must register your attendance and collect your own ticket for the ceremony otherwise it will be assumed that you aren't attending and your name will not be read out during the ceremony. You can use this opportunity to check the pronunciation of your name with our name readers. Please remember we do not amend names to accommodate nicknames and abbreviations, and names are read out as they appear on the certificate.

Ceremony proceedings

The ceremony commences with the entrance of the academic procession. There are speeches from the pro-chancellor, the vice-chancellor and an executive member of the Students' Union. A short film featuring students from the university is followed by a performance from Curve Company Quartet. If there is an honorand during the ceremony there will be a citation read and an acceptance speech.

Presentation of graduates and diplomates – what to do

- A member of staff will signal when it's time to stand
- You will line up in a queue and wait for your name to be announced. Don't change places with anyone
- Your name will be called in full
- Walk across the stage and doff your hat to the chancellor (or their representative) who is seated in a chair on your left
- Carry on walking to the vice-chancellor (or her representative) and doff your hat as you approach
- The vice-chancellor will hand your certificate to you
- A member of staff will guide you off the stage to return to the student seating area

Ceremony closing

At the end of the ceremony you will be invited to walk onto the stage with your fellow graduates and diplomates. This will be another chance to wave at any guests and for them to give you a final cheer. Students are directed out of the building where they can meet up with family and friends.

Additional ceremony information

Please be aware that graduation ceremonies involve bright, theatrical lighting, music and large digital screens showing text and video footage. There will also be long periods of applauding, and large crowds causing some congestion and general noise. Graduands and diplomates may also be seated in a row with other students, next to, behind and in front of you. There will be moments of reduced lighting, raised voices, tannoy announcements, food and drinks smells, photographic noise and lighting.

Speakers are located on the Curve stage and students are seated in the Studio, behind the speakers. A plan on the ground floor is available on page 16 and on the Curve website curveonline.co.uk

Ceremonies start on time and last approximately 90 minutes, sometimes longer if a ceremony includes an honorary award.

If you would like to discuss how we can adapt your graduation experience to support your requirements, please email academicawards@dmu.ac.uk and we will do our best to help you.

Certificates

We aim to issue certificates to students at the ceremonies in August. Certificates not issued at ceremonies will be posted to the permanent address registered with us on the student record system. Please take great care of your certificate as there's a charge to replace it.

If you no longer have access to your address details via MyDMU and believe your permanent address has changed, please email academicawards@dmu.ac.uk stating your name, course and P number.

Should you discover an error at a later date, please return your certificate as soon as possible with a covering letter to: Academic Awards, Student and Academic Services, De Montfort University, The Gateway, Leicester, LE1 9BH, UK.
