

Learning Beyond Registration Non-Medical Prescribing Application and Enrolment Form 2012 - 2013

This form can only be used to apply for the non-medical prescribing modules you wish to study within the academic year 2012 - 2013 within the East Midlands Strategic Health Authority (EMSHA) Learning Beyond Registration (LBR) contract 2012-2013. A full list of available modules and their dates and times can be found at: www.dmu.ac.uk/lbr

Payment:

You must clearly identify on page 21-22 who will be paying for your chosen module(s)/programme.

If the cost is to be covered by the EMSHA you will need to have this confirmed by obtaining authorisation from an EMSHA signatory. Only certain designated individuals have the authority to sanction funding. The full list of authorised signatories can be found at: <http://www.dmu.ac.uk/faculties/hls/nursingmidwifery/lbr/trusteducleads.jsp>

Applicants from the outside the EMSHA should attach a letter identifying who is to be invoiced.

Failure to do this or to identify another source of payment may result in your form being returned or with you being invoiced personally for the cost of the modules.

Submitting the completed form:

Please write clearly in capital letters.

All sections of the combined application and enrolment form **must** be completed. The form will be returned if any section is incomplete. This will delay the processing of the form and may affect the allocation of a place. All pages of the form must be returned in numerical order and be **securely stapled**.

All applicants MUST include with this form photocopies of educational and professional qualification certificates (please see page 6).

Please remember to make a note of the modules you wish to study before you send in your application form.

New applicants only: Please also include **two** passport photographs with your name and date of birth written in capitals on the back. Secure these to your form.

Closing dates:

Please return the completed form for
semester 1 modules 24 August 2012
semester 2 modules 4 January 2013

Please return the completed form to:

Faculty of Health and Life Sciences: De Montfort University LBR Declaration Form**Applicant Version**

Applicant Name:

Chosen Course of Study:

Year of Entry

You must read the recruitment of ex-offenders section within the Admissions Policy for De Montfort University (DMU) before completing this declaration form. The policy is available on the DMU website under Admissions Policy, Admissions Regulations and Guidelines – Section 5.

Health and Life Sciences courses in health, social work and courses involving work with children and/or vulnerable adults are exempt from the Rehabilitation of Offenders Act, 1974. You are therefore required to declare all criminal convictions, spent and unspent (including cautions, restorative justice, bind over, street cautions, final warnings, fixed penalty notices and reprimands), or any on-going criminal investigations or pending court cases.

Failure to disclose any relevant information will put any offers of a place at risk and will be viewed as a breach of trust by the University and Faculty. (De Montfort University, General Regulations and Procedures, Ch 1, section 3.7). The information you provide may affect your ability to:

1. Gain entry to your chosen course of study
2. Evidence fitness to practise in your chosen career

Prior to making a final decision concerning your application, we shall first review your academic performance and if required, discuss with you any information you share with us on this declaration form that we believe has a bearing on your suitability for a place on your chosen course of study. We may also need to discuss the information you disclose with any relevant professional/statutory body and placement providers.

If you have previous spent or unspent convictions / cautions/ restorative justice/ bind over/ street cautions/ reprimands/ fixed penalty notices and final warnings and any other incident, in particular when you have been required to provide personal information, even if it has resulted in no further action *, that might pose a problem with your application, then please contact Jayneeka Lad, CRB/Admissions Officer on jladd@dmu.ac.uk, as soon as possible to discuss your application.

*** Please note this list is not exhaustive**

If you require further information regarding the Criminal Records process adopted by the Faculty, please contact the CRB Administrator on the details above.

IMPORTANT

You must answer all questions with yes or no.

If a question section is not relevant to you please write '*not applicable*' in the large box.

This information will be treated in confidence and stored in accordance with the Data Protection Act, 1998.

1. Have you ever been CONVICTED, BOUND OVER, received a FIXED PENALTY NOTICE OR RESTORATIVE JUSTICE for any criminal offence in the United Kingdom or in any other country?

Yes ☐

No ☐

2. Have you ever been CAUTIONED, STREET CAUTIONED, REPRIMANDED or received a FINAL WARNING by the police for any offence in the United Kingdom or any other country?

Yes ☐

No ☐

3. Have you been charged with any offence in the United Kingdom or in any other country that has not yet come to court?

Yes ☐

No ☐

If YES (for any of the above) please specify the corresponding question your answer relates to;

a. Please give date(s)

b. What was the charge(s)?

c. What were the circumstances regarding the charge(s)?

d. What was the outcome?

4. Are you currently under investigation for any alleged offence in the United Kingdom or in any other country?

Yes ☐

No ☐

If YES (for the above);

a. Please give date(s)

b. What are the circumstances regarding the charge(s)/investigation(s)? Who are you being investigated by?

c. What was the outcome?

The University has a duty to assess the fitness to practise of applicants to specific courses, for example Social Work, Pharmacy and Nursing. For this reason, we need to obtain information relevant to an individual's fitness to practise as a professional working with vulnerable members of the community. It is for this reason that we need to ask the following questions about previous conduct that might lead to or has led to sanction by a professional body, education institution and/or employer.

5. Are you currently or have you ever been the subject of any investigation or fitness to practise proceedings by a professional/statutory body, previous educational establishment or current or past employer in the United Kingdom or any other country?

Yes ☐

No ☐

Please provide details: reason for the investigation, the date of the investigation and the name and address of the relevant professional/statutory body;

Section 2c - Release from practice for duration of course (38 days) MANAGER

<p>Line Manager/Employer agreement to a minimum release from practice for both taught theory and medical supervision (26 days theory equivalent and 12 days practice).</p> <p>As this is a recordable qualification with a professional body, contact day attendance and recorded achievement of all theory and practice hours are mandatory (irrespective of mode of delivery). Students will be unable to record their qualification until all learning hours and assessments are achieved.</p> <p>Some students choose a blended learning approach to the programme whereby the 26 contact days are split between university attendance and distance learning. This approach improves flexibility of release time required, but does not reduce the total mandatory time needed for study by the student.</p> <p>As line manager, I confirm that the applicant has received an appraisal of their suitability to prescribe and confirm full release support, totalling a minimum of 38 days equivalent, and that the applicant will have a prescribing role on completion of the programme.</p> <p>As a line manager I confirm the following: (Please tick the boxes below and complete your details)</p> <ol style="list-style-type: none"> 1. The applicant has a valid registration on the professional register. <input type="checkbox"/> 2. The applicant is competent to take a history, undertake a clinical assessment, and diagnose within the area and field of practice they intend to prescribe. <input type="checkbox"/> 3. There is a clinical need within the applicant's role to justify prescribing. <input type="checkbox"/> 4. The applicant has sufficient prior knowledge to apply prescribing principles taught on the programme to their own area and field of practice. <input type="checkbox"/> 5. The applicant has appropriate numeracy skills to undertake drug calculations (to be further developed within the context of prescribing and assessed on the course). <input type="checkbox"/> 6. The line manager must also inform the senior nurse for medicines management \ prescribing lead if the non-medical prescriber leaves their post or is being preformed managed therefore effecting their capacity to prescribe so that the central database is kept up-to-date. <input type="checkbox"/>

Section 3b - Eligibility criteria for Designated Medical Practitioner

Doctors must meet all the criteria below. Please tick boxes to confirm that you fit the criteria.

The doctor must be a registered medical practitioner who:

Has normally had at least 3 years recent clinical experience for a group of patients/clients in relevant field of practice.	
Is within a GP practice and is either vocationally trained or is in possession of a certificate or equivalent experience from the Joint Committee for Post-Graduate Training in General Practice (JCPTGP) or is a specialist registrar, clinical assistant or a consultant within an NHS Trust or other NHS employer.	
Has the support of the employing organisation or GP practice to act as the designated medical practitioner who will provide supervision, support and opportunities to develop competence in prescribing practice.	
Has some experience or training in teaching and / or supervising in practice.	
Normally works with the applicant. If this is not possible (such as in nurse-led services or community pharmacy), arrangements can be agreed for another doctor to take on the role of the DMP, provided the above criteria are met and the learning in practice relates to the clinical area in which the applicant will ultimately be carrying out their prescribing role.	
Is familiar with the requirements of the programme and the need for the applicant to achieve the learning outcomes.	

For more information on the role of the DMP please see training non-medical prescribers in practice – a guide to help doctors prepare for and carry out the role of designated medical practitioner: www.npc.co.uk/non_medical/publications.htm

Section 3c - Practice placement quality

Designated Medical Practitioner to please read and complete the following quality statement.

As part of the quality assurance process for practice placements and confirm your potential placement area meets statutory requirements. Please contact the relevant programme leader (see below) for advice regarding this process if required:

1. Our policies and procedures within our practice placement areas reflect health and safety legislation, employment legislation and equality of opportunity.
2. Our human resources management processes reflect current good practice in relation to recruitment, retention, development of staff and equal opportunities.
3. Our staff understand and manage specific risks to students and risk assessment is carried out in practice placement areas.
4. We ensure that students have access to appropriate books, journals, educational and IT facilities, including internet access, (where practicable) where they are in placements.
5. We have mechanisms in place in placement areas to recognise early poor performance of students and for taking appropriate and prompt action.
6. We provide all students with a named practice placement supervisor for the duration of that placement, who is appropriately qualified and experienced and meets relevant Regulatory body requirements.
7. Our practice placement supervisors are aware of the students placement outcomes so that they are able to agree with the students an individual learning contract for the placement experience.
8. We provide students with scheduled appointments with their practice placement supervisors at regular intervals to discuss their progress towards meeting their learning contract.
9. We take action on evaluation/feedback information that students give us on the quality of their placements and practice placement supervision received.
10. We provide students with an orientation/induction to each practice placement.
11. Our placement areas ensure that provision is made for students to reflect in/on practice and link practice explicitly with their theoretical underpinning.
12. Our practice placements provide varied learning opportunities that enable students to achieve learning outcomes through observing skilled professionals deliver service and care participating, under supervision, in the delivery of treatment and care practising in an environment that respects users' rights, privacy and dignity.
13. Our staff, who act as practice placement supervisors of students, demonstrate evidence-based teaching, assessment and practice.
14. We provide learning opportunities in placements that are appropriate to the level and need of the student and provide opportunities for inter-professional working.
15. Our approach to assessment is that it is a continuous process with an adequate formative function that helps develop student abilities/intellectual skills and which leads to the judgement of achievement against agreed performance criteria.
16. We have explicit aims, values and strategies to promote inclusion and equality for all and these are reflected in our work as placement providers within an equal opportunities policy that is periodically updated.
17. We have effective measures for eliminating oppressive behaviour including all forms of harassment in our practice areas.
18. The guidance and support we offer as a placement provider are sensitive to equality of opportunity.

I confirm all the above standards can be met whilst the student undergoes prescribing supervision.

Data Protection Act Statement & Student Declaration

I understand that by signing this form I am agreeing to be liable for all tuition fees incurred over the duration of my programme of study, in whole or in part, and that if I or my sponsor fail to pay my tuition fees in a timely manner that DMU reserves the right to terminate my studies. I understand that De Montfort University reserves the right to prosecute me in order to recover any debt.

In accordance with the Data Protection Act 1998 the University requires your consent to collect and use personal information.

I agree to De Montfort University processing personal data contained in this form or other data which the University may obtain from time to time from me or other people whilst I am a student as documented in the section on Protecting Data included in my Student Handbook. I agree to the processing of, including sharing with partner organisations of such data for any legitimate purpose connected with my studies, including placements or my health and safety.

The Learning Records Service (LRS) offers a service to allocate Unique Learner Numbers (ULNs) to students. The ULN enables individuals to access a Learner Record which will offer learners the facility to access their participation and achievement data via a website and to share this with other organisations and individuals where permission is granted.

The LRS service will allow those organisations listed on section 537A of the Education Act to use the ULN as a key to sharing participation and achievement data in a consistent and approved manner, promoting good information management practice. All organisations that will have access to the information you provide are registered under the Data Protection Act 1998. At no time will your personal information be passed to organisations for marketing or sales purposes.

Individuals can opt out of sharing participation and achievement data with those organisations listed in section 537A of the Education Act by ticking this box. ☐

More information about opting out or data sharing can be found at www.miap.gov.uk (FAQs) or by telephoning the LRS Learner helpdesk on 08702 401 453.

I declare that the information contained in this form is correct and understand if I have knowingly given false information I may be excluded from De Montfort University. I agree to abide by the University's regulations. I understand that the programme for which I am enrolling is subject to availability.
